BENEFITING FAIR LAWN CHAMBER OF COMMERCE CHARITIES AND H.S. SCHOLARSHIPS

Since 1954 the Fair Lawn Chamber of Commerce has worked with local government and other entities to stimulate development and improve the quality of life. The dedicated volunteerism and contributions from a large number of local business leaders and entities make this possible. The Chamber enables businesses of all sizes to achieve collectively what others could not accomplish individually. Our strength lies in increasing the number of membership firms, creating a pool of resources to address community problems. There is no other organization offering the variety, quality and frequency of networking, educational and special events. We stay in touch, informed, involved and we are an integral part of Fair Lawn's business community.
